Supported By

managing your climate change agreement
Who is this seminar aimed at?
This one day workshop is aimed at responsible person(s) of facilities holding an underlying agreement in the Plastics Sector Climate Change Agreement (CCA)

What is the purpose of this seminar?
The purpose of the workshop is to make those responsible persons:

- Familiar with the roles of BPF/BPF Energy/Inenco
- Familiar with the structure of CCAs (Facilities/target unit bubbles, Target Periods, Buy-out )
- Aware of their obligations under their agreement
- Aware of the support & guidance available

What is the format of this seminar?
The workshop will be divided into two sessions;
The first dealing with obligations, reporting and targets
The second part will provide for an opportunity for individual surgeries to help address concerns from facility managers on target achievement

Surgeries

The surgeries during the second part of the day will be tailored to your needs.

If you are interested in attending the surgery sessions can you please email energy@bpf.co.uk giving the date you have booked to attend and the area of concern you would like to cover.

A full programme will be sent with the joining instructions for this seminar

Each event will be limited to 30 delegates

To register please complete this form and fax to +44 (0) 207 457 5045 or email events@bpf.co.uk

A BPF Energy Seminar
Speakers Biographies

Peter Davis OBE, British Plastics Federation & BPF Energy
Peter Davis is the Director General of the British Plastics Federation and a Director of BPF Energy. He has previously held the following positions: Chief Executive of Incpen; Director of Marketing; Membership and International Affairs at the Royal Institute of British Architects; Head of Home Affairs, Conservative Party Research Department; Special Adviser to Environment Minister Kenneth Baker MP.

Peter Haslop, Inenco/Nifes
Peter Haslop has an engineering background with over 40 years experience in the industry. He has vast experience of the energy efficiency and environmental technologies industries. Peter has worked at Inenco for six years and is currently responsible for leading the processing and completion of the current Inenco climate change agreements. Peter is a frequent speaker at energy efficiency events.

Alan Davey FCMA, British Plastics Federation & BPF Energy
Alan Davey is the Director of Finance and Administration for the British Plastics Federation and a Director of BPF Energy. BPF Energy manages the Plastics Sector CCA on behalf of the BPF and Alan has played a major part in gaining the Sector CCA (2009) and managing the Sector Agreement.

Philip Kent, Inenco/Nifes
Philip Kent has 13 years of experience as an energy consultant undertaking energy surveys across a wide range of industrial and public sector sites. He then spent 5 years as a process engineer at the second largest lead smelter in Europe. After 5 years working in the glass industry Philip joined Inenco and is currently responsible for the processing and completion of 28 current Inenco climate change agreements.

Jane Shenton, Inenco/Nifes
Jane Shenton has over ten years experience in analysis and reporting and implements this in her current work with the British Plastics Federation. She has spent ten years working with Inenco and is heavily involved in the consumption analysis, monitoring and reporting of over 70 clients within Inenco’s portfolio.

Yolanda Starkie, Inenco/Nifes
Yolanda Starkie is the principal administrator of the Plastics CCA Scheme providing advice and assistance to over 300 clients. She assists with the client change agreement consumption analysis and has over 6 years experience at Inenco.

Diane Rigby, Inenco/Nifes
Diane Rigby specialises in the validation and analysis of utility invoices and the recovery of savings. She originally joined Inenco as a Data Management Co-ordinator collating data for Climate Change Agreement Evidence Packs and Carbon Footprint Auditing. As part of her role she has undertaken analytical assistance with GAP analysis CTS Standard and CDP analysis reports.
