Memorandum of Understanding
Between The British Plastics Federation and Vietnam Plastics Association

With a view to strengthening co-operation between the British Federation and the Vietnam Plastics Association and for promoting the development of the plastics industries in United Kingdom and in Vietnam on the basis of equality and mutual benefit the two parties herein sign this Memorandum of Understanding.

They agree to the following objectives:

- To contribute to the mutual economic development of Vietnam and UK
- To foster a common approach between Vietnam and the UK to the evolution of the global plastics industry
- To increase co-operation and communication between the Vietnamese and British Plastics Federations
- To share information on technology, markets and environmental issues
- To increase awareness of and participation in Vietnam and UK trade shows
- To consider the organisation of joint events such as seminars and trade missions
- Assistance in dealing with business enquiries from respective members and assisting in 'business matching' where possible

Signed at the Plastics & Rubber Vietnam, Ho Chi Minh, Vietnam 2010
